

Volunteer Role: Creation Space Maker

Overview:

Join us in helping our community achieve their creative goals! The La Crosse Public Library is looking for volunteers to bring their skill and passion for making (whatever form that takes for you!) to our new Creation Space and forthcoming Tool Library.

Responsibilities:

Volunteers will help users utilize our Creation Space equipment in a 1:1 or small class setting:

- 3-D Printing (Creality3D Ender + ToyBox printers)
- Heat Press (Swing Design)
- Sewing Machine (Singer Heavy Duty 4423 + Singer 9960 Sewing & Quilting Machine)
- Vinyl Cutting (Silhouette Cameo 3 + 4)
- Video Production (Adobe Premiere)

Additional creative interests and home improvement / repair skills are also welcomed.

Qualifications:

1. Reliability, patience and a desire to create in camaraderie while sharing skills with other makers
2. Desire to make the Creation Space an inviting community destination, by helping to keep it clean, organized, and ensure the equipment is operational, etc.
3. Commitment to volunteering at least 2 hours per month.

Training:

1. Instruction on specific Creation Space equipment will be provided by Library staff.

Time Commitment: 2 hours per month, preferably during open lab hours:

Creation Space Lab Hours:

Tuesday: 1pm – 3pm

Wednesdays 5-6:30pm

Thursday: 10am-12pm

Saturday: 9:00am -12pm
