

VITERBO NURSING EDUCATIONAL EVENT

NOVEMBER 19TH, 2024 | 1000AM-1100AM

LA CROSSE PUBLIC LIBRARY

800 MAIN STREET LA CROSSE, WI 54601

Are you over the age of 60 and want to know how to better your health, manage different conditions, or ask questions? Come and visit our local Viterbo University Nursing Students as they share information on different topics related to Older Adults and their health. Students will present on a variety of topics such as safety, nutrition, and management of health conditions.

Ask Questions – Learn Something New – Be Educated

This is a wonderful opportunity for students to reach out to the community and get to know those around us.

Presented by Students in
NURS-232 Holistic Care of the Older Adult

**Free Blood
Pressure
Checks!**
